Five New Faculty Members for '43-'44

School Opens Here On Aug.
25th.— Will Have Nine
Month Session

When the 1943-1944 scholastic session of the schools at Barium Springs open on August 25th (this Messenger will probably be publicly distributed throughout North Carolina after school has started) there will be five new teachers to greet the students. Four of these are replacements of last year's teachers who resigned and the fifth is an additional to the present teaching staff.

Miss Ruth Troutman, of Troutman, and Miss Margaret Morrison, of near Davidson, will be the high school faculty newcomers. Miss Troutman will teach high school English and will have charge of the eighth grade for her home room. She has been teaching for a number of years in Reynolds high at Winston-Salem. Miss Sadie Brandon had charge of the eighth grade last year, but will be teacher of the third.

Miss Morrison will replace Mrs. Wallace Chandler, the former Miss Anne Gaitley, of Red Springs, who was married just before the close of the 1942-1943 session. Miss Morrison will be teacher of Home Economics. She graduated from Catawba College in 1941 with a B. (Continued On Page Four)

Several Changes On Barium Staff

Elsewhere in The Messenger this month is given an account of quite a few changes that have occurred in the faculty for the 1943-1944 session, and this article deals with other changes in the staff during the summer months.

There are three new matrons in the cottages. Mrs. R. A. Morrison, Charlotte, has replaced Miss Elizabeth Reid as matron of Rumpel Hall; Miss Lilly Bryant, a 1943 graduate of Barium Springs, is in charge of the boys at the Baby Cottage, replacing Mrs. M. D. Southerland, and Mrs. Fannie Brawley is in charge of Cannon Cottage, replacing Miss Nannie Johnston.

Assisting in the kitchen during the winter months will be Miss Eleanor Burns, Charles Town, W. Va. replacing Mrs. W. L. Shimpock, the former Miss Mary Neel, of Mooresville, before her marriage. (Continued On Page Three)

Rising Senior Class of Barium Springs High School

Reading left to right, first row—Mable Vinson, Martha Price, Betty Lou Williamson, Mary Alice Stevens, Mae Allen Barrett, Peggy Lou Buie, Ann McDonald.
Second row—Crosby Mundy, Grace Adams, Edith Powell, Betty Dorton, Jeanne Fletcher, Lillie Belle Smith.
Third row—Leland Rogers, Stanley Smith, Fred Cole, Hervey Stricklin, Paul Burney, William Tyce
Absent—Paul Reid and Ray Lewis.

Synod's Generosity Continues to Be Good

Increase in One-Third of 1943-
1944 Was \$3,026.16.—
Other Facts Given

The Synod of North Carolina continues to display a greater liberality toward this Home at Barium Springs than in 1942-1943, for an increase of \$576.19 was observed in July over the giving of July, 1942, to make a gain of \$3,026.16 in one-third of the current year. That's a remarkably fine increase in regular contributions and a similar advancement in the (Continued On Page Three)

Barium Footballers Have Heavy Schedule

Open Season With Harding
High in Charlotte.— Home-
Coming Will Be Nov. 24th

The war has played havoc with the colleges and their schedules but has had a surprisingly small effect on the high schools' schedules - in this neck of the woods anyway. The Barium schedule stacks up just about like that of former years with two very important changes. The most important change has to do with our opening game.

Since 1936, the opening of the football season in Charlotte has been the game between Central High and Barium. This game grew in popularity until it became the most largely attended high school game in the state. In fact, in 1940, the crowd that came to Memorial Stadium to see this game was only topped by one other gathering in that place during the season, and that was a very popular college game.

We regret exceedingly that this game has been replaced, and we here at Barium did everything we could to keep that game going. Every one of these contests, with one exception, have been close games, decided by one touchdown margin, two of them being tie games. In 1942, Charlotte was so much stronger than Barium that they defeated us by a three-touchdown margin.

When the time came for us to arrange for the 1943 game, Charlotte authorities insisted on cutting us down to less than half of the amount paid us in '42, something like ten percent of the gross. We did not think this was quite fair and tried to make some more liberal arrangement, finally offering to take the game on a home- (Continued On Page Three)

Church Bonds Have Climbed to \$19,300

One Friend Sent \$100.00 Bond
in August and Original Church
Fund of Over \$1,200 Invested

United States government bonds for a proposed new church at Barium Springs jumped from \$17,400.00 as announced in the July Messenger to \$19,300.00 by the middle of August, with cash on hand toward the next purchase that will be made when available funds make such possible.

One of these bonds acquired was a gift of Mrs. C. E. Neisler, of Kings Mountain, who did not send her \$100.00 bond in memory of any individual, but who simply wanted to share in making possible a very greatly needed new church at Barium. What Mrs. Neisler has done is something which quite a few other individuals have been doing lately. They have been purchasing Series F or Series G (the F series is preferable) in the name of "The Regents of the Orphans' Home, a corporation, Barium Springs, N. C."

Mrs. Neisler's bond was added to with memorial contributions arriving within the past month, and the other increase in such securities came through a church fund of \$1,242.45 that was raised a good many years ago as a nest-egg for a church which would be (Continued On Page Three)

Memorial Window Given for Church

The Robert Ashley White Bible Class of the First Presbyterian Church in Mooresville has notified officials at Barium Springs that it will give \$100.00 to pay for a stained-glass window for the present Little Joe's Church in memory of their former pastor, the late Rev. R. A. White, D. D., of Mooresville, for whom the class is named. This definite decision was made on a visit to Barium by one of its members who made the choice of the window that will be in memory of that beloved pastor.

Their acceptance of this responsibility means that three of the four \$100.00 windows on the two sides of Little Joe's Church have been provided for, since two of them were given some time ago. The two large central windows on each side have not been taken, and before the war an estimate of \$375.00 each was made on these. In these large windows will be appropriate scenes. The cost of (Continued On Page Two)

(FORM OF BEQUEST)

"I give and bequeath to the REGENTS OF THE ORPHANS' HOME OF THE PRESBYTERIAN SYNOD OF NORTH CAROLINA, Incorporated Under the laws of the state of North Carolina, (HERE NAME THE BEQUEST)"

Buy Bonds!

Buy bonds and help win the war!!

Buy bonds, help win the war and help build a church at Barium Springs!!!

School days are at hand again, and a cordial welcome is being extended to the five new faculty members. We will have all the teachers with us for a month longer than in former years, for the local school will operate on a nine-month basis in 1943-1944.

Last month's Messenger had a series of congratulatory remarks in it, covering a wide variety of achievements by Synod, or by organizations that make up this Synod body. More congratulations can acceptably be offered in this issue on the increase of \$3,062.16 that Synod has shown in its giving during the first one-third of 1943-1944.

Every month some other Barium boys and girls are entering the services of our country. The number of alumni affiliated with all of the branches for men and women will soon reach 200. In the alumni news column each month we give the names of the new recruits. Watch for these and see the number of participating alumni increase.

The Home suffered a tremendous loss in its peach crop this year. Instead of the usual yield of approximately 4,000 bushels, less than a peck of peaches was gathered. There is a good apple crop in the offing, though, so those cans expected to be filled with peaches will be used for apple sauce. We're trying to can extra tomatoes and tomato juice this summer, since there were no peaches.

With \$19,300.00 of government bonds in hand toward a new church at Barium Springs, much progress has been made since the Regents decided in May of 1942 to use memorial contributions for a church building as a replacement of the present inadequate one. Many gifts are coming without any memorial thought behind them, for the people of Synod are manifesting a large interest in the proposed house of worship.

Too much emphasis cannot be placed upon the importance of that increase of \$3,026.16 in regular giving. Month-by-month support and a systematic plan of assisting the Home has been emphasized down through the years, and it is quite encouraging to officials to see the upswing in such donations. The Thanksgiving Offering is always a wonderfully generous amount, but that comes but once a year, whereas the regular donations reach Barium Springs throughout the 12 months.

Boys and girls who have been one-time residents of this Home are mighty proud of it. If the children are proud of their Home, those who support it have a right to be proud, too. The Thanksgiving literature that is in the process of being assembled is going to clearly show this pride. Little booklets will be sent to all of the Auxiliaries, extracts of the literature will be published in a leaflet, and then we are expecting to use the information in full in The Barium Messenger in the November issue.

Early this summer it looked like we were going to have a fair wheat crop. But, the weather decided otherwise. The wheat was

shocked and standing in the fields and then the rains came. They came almost 30 days in succession, the wheat sprouted, was killed by the sun and sprouted again. It ended up by our setting aside the wheat that was threshed as hog feed, since it was of such poor quality that it wasn't good for anything else. But, we're having a good corn crop and hay crop to offset, partially, the loss of wheat.

Replacements and repairs can hardly be made to the plant and equipment at Barium Springs nowadays, for materials are practically unobtainable and little labor is available. This means that at the war's end, much repair will be needed and a great deal of the present equipment will need to be replaced. Since the normal repairs cannot be made, the Regents set aside \$10,000.00 at the close of 1942-1943 for this future purpose. This was invested in government bonds. Every bit of that, and more, is going to be needed. Fortunately, most of the physical plant here was in good shape at the outbreak of the war, because of the repair program which had been in progress for the past decade.

One Auxiliary wrote in recently to ask if we had increased the amount that we ask for clothing of a child. The reply was in the negative, though an opinion was expressed in our letter that the clothing total may not take care of all the expenditures for clothing and shoes during 1943-1944 because of the high cost of such articles these days. The needed amount was raised from \$30.00 to \$35.00 in the spring of 1942. It might be necessary to advance this request to \$40.00 annually in 1944-1945 in order to take care of this need. There are no objections to an Auxiliary sending more than the \$35.00 for the year, if its treasury will permit and if it is in the hearts of the members to do this.

The majority of the Sunday Schools in North Carolina Synod follow some systematic plan of aiding this Home, and we wish that many of those in the minority group would join in the offering-per-month plan, or adopt the fifth Sunday plan, when the size of the Sunday School wouldn't permit 12 responses a year. With 49.6% of our income from April through July arriving from the Sunday Schools, friends everywhere can see the vitalness and importance of these donations. Of vast encouragement, too, has been an increase of \$1,247.32 in the giving of the Sunday Schools in the first four months. That's because the "old-timers" are giving more and also because there have been other Sunday Schools to join the ranks of the "once-a-monthers".

Presbyterians throughout the Synod will be glad to know that this Home at Barium Springs is on a cash basis throughout 1943-1944. This is the first time this has happened in a good many years. The indebtedness was lifted in 1937 and ever since then the financial condition has continued to improve until now we can pay cash to every creditor in every month for all of the purchases made. The financial rating of this corporation is now A-1. No money is being expended for interest, none on debts, since there aren't any old debts to pay (only current bills), and a considerable saving is being enacted through taking advantage of discounts. Thus, every penny contributed to Barium Springs nowadays goes into the lives of the children or into the Home.

Alumni News

DEATHS

First Lieut. Paul Pittman

First Lieut. Paul Pittman, of the U. S. air corps and Durham, a star athlete at Davidson College a few years ago, died in the Baylor Hospital, Dallas, Texas, on August 18th following a serious operation of more than a month ago. This news was contained in a wire which was received by Jos. B. Johnston, superintendent of the Presbyterian Orphans' Home, of which Lieut. Pittman was a graduate. Funeral services will be in Durham on Sunday or Monday, depending upon the time of arrival of the body.

The 29-year-old officer spent eight years at Barium Springs, entering the home in 1924 and finishing in 1932. His brilliant high school career on the gridiron was continued at Davidson College, from which he graduated in 1936. He performed in the backfield and his exploits of running and punting were high-lights for Davidson's teams in those years.

Shortly after graduating from Davidson, Lt. Pittman was seriously ill with a tropical disease or several months, but he recovered and was accepted into the air corps long before America's entrance into the war. He was awarded his wings in June, 1940, and since then has been stationed at various fields. Until his recent illness he was a test pilot.

News of the serious condition of Paul was revealed in a letter of July 18th from his brother, Pfc. Henry Pittman, who spent an 11-day furlough in Dallas. Henry wrote that the doctors gave Paul a 50-50 chance before operating. At the time of his letter, Paul was improving, though he weighed only 112 pounds.

BIRTHS

Mr. and Mrs. Ray Shaffer, of Baltimore, Md., announce the birth of a girl early in July. This information was received in a letter, dated July 21st, from Sam Bernardo.

Lt. and Mrs. Robert Barnes, of 415 N. J. Avenue, Washington, D. C., announce the birth of a daughter, Mary Jane, on July 27th. Mrs. Barnes is the former Katherine Norman.

Mr. and Mrs. Earl Gardner, of 8829 Princeton Ave., Chicago, Ill., announce the birth of a daughter, Cheryl June, on July 28th. Mrs. Gardner is the former Angelia Fowler.

New Recruits

Since the last Messenger was published, there have been four additional alumni of Barium Springs entering the services to bring the total to 172. Those going in were Raymond Good, Ernest White, Joe Long and Snyder Reed.

Promotions

Promotions recently occurring were Clyde May to Corporal; Robert Gallyon to private first class; Miller Blue to Sergeant (he will get a four-year stripe for service in the Marines), and James Hanon to Corporal.

Visitors

There have been many visitors to Barium Springs recently including Bill Martin and his wife, of Winston-Salem; Mrs. Robert (Marie Smith) Mills and three children and Janie Smith from Salisbury; Robert Blue, wife and son from Burlington; Wilma Jessup and Mrs. Jack (Virginia Cranfill) Weeks, of Charlotte; Charlie Sears, Second Lieut. Bob Johnston, Rufus Long, Joe Long, Leslie Smith, Mrs. J. D. (Nellie Johnson) Summers, Paul Horne, Larry Marlow, Ed Williamson and John Donaldson.

Unknown Addresses

Some of the unknown addresses of boys in the services were supplied after the last Messenger when their names were listed. In the hope that others may be furnished we are listing the following whose current addresses in the services are unknown: John Blackman, John L. Cumbie, Winfred Hall, Nelson Hesse, Howard Holland, Hayden Justice, J. B. Lee, Snyder Reed, Clifton Vann and Dallas Williams. There were two or three other names on the list that is enclosed in Mr. Johnston's letter twice a month, but it is known that these will be supplied by the individuals themselves just as soon as they are located.

Cottage News

WOMAN'S BUILDING

For the past several weeks we have enjoyed our camp on the Catawba. Previous to this experience we looked forward to our fun for two weeks, and now as we look back we know that we have had even more fun than we had anticipated. This year all of us were permitted to have two weeks instead of the usual one.

Leona and Janie Hall enjoyed a visit from their father and sister, Lula Bell. We were all delighted to see Lula Bell, because she was at one time one of our girls.

Crosby Mundy was made happy by a brief visit from her sister who lives in Mooresville.

Mr. Hethcox has returned to the campus which reminds us that in two weeks school will begin. We are looking forward to this event especially because we will have five new teachers. We will miss the ones who are not returning but we always enjoy having the new ones also.

RUMPLE HALL

Hello Folks,

This is the Rumble Hall girls reporting the news of the month. Camp is over and we all enjoyed the two weeks very much.

We have a new matron, Mrs. Thompson, whom we all like very much. It seems good to have a regular matron since we have been having different ones all summer. Mrs. Thompson has two sons in the armed forces. We enjoy Mrs. Thompson's canary, he sings Che-Chie to us all the time (he is just learning at the present). We are going to share Mrs. Thompson's music talents with the Woman's Building girls Thursday while Miss Clark comes over and tells us stories that we like to hear so much.

Every night after our little prayer meeting we all gather around the piano and sing popular songs. We are going to get a new piano and all the keys will sound when you strike them (P. S. three of ours are broken.)

Aline Parham, Gwendolyn Landrum and Lorena Hall had visits from their friends and relatives. So long 'til next month.

Your Rumble Hall Reporters

SYNOD'S COTTAGE

Hi There Friends

It's so hot we're just about too lazy to let you in on the little happenings this month:

Our family has been increased by two new boys, Carlton and Ralph Burney, from Clarkton, N. C. Ralph is six and Carlton is eight.

Miss McNeil has been having swimming classes for us. Everyone that can do everything she teaches will get a certificate. We're all trying real hard.

Two more weeks and school will be open. We're rather divided on our opinion about that. We are having a real good vacation, but it will be nice to see all our teachers back.

Miss Taylor is away on her vacation this month. She dropped us all a card. It looks so nice down there on the beach, but we certainly miss her. We enjoy having Mary Adams while she is away.

We are invited to a free show today and certainly appreciate it, Mr. Sams.

We are having some grapes and they certainly are good. We miss our peaches a lot though.

—"The Wigglers"

LEES' COTTAGE

The summer is almost over and we have had plenty of fun and have been growing vegetables, too, out on our truck farm.

For our fun we had two weeks out at camp, and several times each day we go in swimming in the pool. Now we are thinking of school and football. We want to have a team this year in our cottage.

Below is a list of all the boys who live in the cottage. Several went out this summer to live in Jennie Gilmer. Some came from Synod's to live and so are new boys:

Bert Atwood, John Bullard, Mac Caldwell, Cromer Curtis, Paul Dellinger, Billy Dunn, Jerry Ennis, Charles Faircloth, Norvin Hillard, Johnny Hudgins, Terrell Hall, Earl Huddleston, Amie Lybrand, Bobby Morgan, Fairley Morgan, Billy Manus, Buddy Maples, Bobby Manus, Clyde Reid, Johnny Slater, Charles Stevens, Jerry Williams, Alfred Williams, John Junius Wicker, Kenneth Walker and Dean Upton - also one black cat and Miss Turner, our Matron.

Charles Faircloth and Norvin

Orphanage Work Secretary Says:

Greetings To The Friends Of The Women's Synodical Auxiliary: I say friends and I know that the Home has many friends. The word friends in the true meaning of the word can be used here because you have shown that by your loyalty and cooperation.

This is just an appeal to you to continue to support the Presbyterian Orphans' Home during these trying days when almost everyone has burdens of one kind or another on their hearts.

I know we are all proud of the part the boys from the Home have played and are continuing to play in this global war.

At this season when canning and victory gardens are the subject of conversation let us each one remember to put aside a part for the pantry at Barium.

Another important matter to keep before the friends of the Home is the Memorial Fund which has increased by leaps and bounds. This fund is to be used to build a church after the war. Let us keep up the good work.

I am sure we feel a special pride in everything that is done for the Home remembering the large number of boys and girls there who are our responsibility. Give Barium a large place in your hearts and prayers.

(Mrs. C. J.) Janie J. Loftin
Synodical Sec. O. W.
Gastonia, N. C.

Memorial Window

(Continued From Page One)

these would probably be more at the present time.

Preparation of all of the six windows - the three already provided and the three yet to be given - will be done at one and the same time, for it is believed advisable to have the same artist do this work. They will be designed to harmonize with the three memorial windows in the front part of the church.

Two of these front windows were given by Mrs. H. L. Moore, of Cramerton, one in honor of her husband and another in honor of a son. The other was given by Rev. and Mrs. A. S. Anderson, of Cramerton, in memory of their little girl.

Miss Beulah Johnston, Mooresville, gave \$100.00 for one of the side windows in memory of her sister, Miss Flossie Johnston, of Mooresville, and some friends, who do not want their identity known, gave \$100.00 for the other side window.

While it is proposed to have a new church at Barium Springs some day after the war closes, yet the present Little Joe's church will continue to stand on the campus and will be used for religious purposes, such as Young People's meetings, prayer meeting and a place of assembly for groups visiting the campus. Even if the present unspoken-for windows are not provided by friends or organizations, it is felt that some provision will be made to stain-glass the other \$100.00 window and provide scenes for the two \$375.00 windows.

For the present, the money that has been sent to Barium Springs for these windows has been placed in government bonds until such a time as the funds will be used. Other contributed funds will be so placed until the work on the six side windows can be done. When such are finished and in place, it will add much to what will probably be known as Little Joe's chapel after the new church is constructed.

Teacher: "How many examples did you get correctly?"

Pupil: "If I get this one right and three more, it will make four."

"Work," says an observant lad, "is something that other people think of for you to do. Play is what you think of yourself."

"Have you ever appeared as a witness before?"

"Yes, your honor."

"In what suit?"

"My blue serge."

Hillard had visits from relatives which they enjoyed very much.

Billy Dunn is gathering some fine tomatoes and beans from his victory garden.

We are going to miss some of our teachers who are not coming back this year.

Our good friend, Mr. Sams, invited us to see "Hi Buddy". We always enjoy a picture show.

Barium Footballers

(Continued From Page One)

and-home basis. But, to all of these offers, we were to "take their proposition, or else", so the game was dropped.

We tried to get some expression from the public about this through the Sports Page of The Charlotte Observer, but our motives were evidently misunderstood and the Sports Editor, choosing to act as judge in the matter, put a "period" to any further expressions of opinion on his pages, which did not give the general public the opportunity to express their opinions.

It was an inopportune time anyway to bring the matter up. The public was not football-minded at that time and the matter had to be decided then. This explains why this very popular game will not be played this fall.

Harding High of Charlotte invited us to take them on for the opening game which we were glad to do, so on the night of September 17th, in Memorial Stadium, there will be a Barium-Charlotte game. It will be between Harding High and Barium this time, and we look forward to many years of fine association with this splendid school.

The teams will meet on even terms with Harding having a slight advantage in being nearer their home base, a little longer practice and a larger student body to draw from, but Barium has advantages also in that the team that will take the field this fall will have played together as light-weights for several years before becoming varsity material. We hope that the same large and enthusiastic crowds will greet these teams on the opening of the season, and that that will set off a good season for both teams.

Our second game will be with Albemarle at Albemarle. Albemarle has consistently been one of the stronger teams in the South Piedmont Conference. She has given Barium the toughest sort of games every year and was due to beat us last year. Our victory over Albemarle was a decided upset.

Following Albemarle, we go to Thomasville for one of the toughest games on our schedule. Thomasville gave us a real drubbing last year, the first time they appeared on our schedule. Our boys are eager to avenge that defeat.

On October 8th, Barium has her first home game. The Children's Home of Winston-Salem is the opposition. The Children's Home hasn't had a weak team since 'way back yonder when Bill Murray came there to coach. Bill has departed for larger fields but his habits still remain at Children's Home. This game between Barium and this splendid school will be worth anybody's time and money to see.

On the 15th of October we journey to Asheville to take on that big strong team. Two seasons ago, Asheville and Barium were the only undefeated high schools in the state. An attempt was made to get together for a post season game, the invitation coming from Asheville. Unfortunately, we could not get together with them and now two years later we are meeting. The game should be interesting. The game is on a two-year contract and possibly in 1944 we can have Asheville down in this neck of the woods.

On October 26th, we go to Lexington. The game was due to be played at Barium, but the Lexington coach requested the second game at Lexington to balance up his schedule and there is where it will be played. There never has been an uninteresting game between these two schools, and the series has lasted longer than with any other school. Right now the record stands even-seven and only one tie game in the lot.

October 29th was reserved for the Davidson Freshmen and we will probably play a Davidson team on that date. The probability is that Davidson will not get out a varsity team this year but will have intra-mural sports. We will play the pick of these team or the best of the teams, and we hope the game will be played at Barium.

On November 5th, the big game takes place, with Statesville High. It will be a home game for Barium but it may possibly be played in Statesville. This is Bill Guy's second year at Statesville. He did a grand job last year and should do a better one this year. From this distance, the game looks to be a toss-up.

On November 12th, we go to Salisbury. The Salisbury coach, like the Lexington coach, asked for us to come to their town the second time in succession. Salisbury

\$100.00 Club

While it is a little early to be listing the \$100.00 Club members in the Sunday Schools of Synod, yet there were 16 Sunday Schools who had already sent the minimum of \$100.00 required for a place in the group during the first one-third of 1943-1944.

It is believed that 16 represents one-fifth of the Sunday Schools who will be so classified by the end of the present year, for a good many of them have already indicated their intention to become members before the church period is concluded.

In 1942-1943, the final was 76 Sunday Schools, and it is confidently felt that at least four will be gaining entrance into the Club for the first time. It is expected that the 76 in it last year will maintain their seats.

The following are the 16 numerically arranged:

Sunday School	Amount
Wyers Park	\$265.83
Albemarle First	200.00
Winston-Salem First	183.58
Concord First	175.95
Greensboro First	162.98
Kannapolis First	144.05
Durham First	142.73
Salisbury First	137.75
Burlington First	134.69
Shelby	124.34
Tenth Avenue	122.54
Belmont	121.23
Graves Memorial	118.61
Rockingham	104.72
Buffalo (G)	103.02

"But, Betty dear," advised her mother "you are not getting all the peelings off the potatoes!"

"Yes, I am, mother," replied Betty, "all except the dimples."

The sailor was recounting his experiences to a dear old lady.

Old Lady: "What rank did you hold?"

Sailor: "Ship's optician, lady."

Old Lady: "I didn't know there was such a rank. What did you do?"

Sailor: "I scraped the eyes out of potatoes."

bury beat us last year, the first win over us in a number of years. We are counting on getting in the winning habit again, but it will be a tough job because Salisbury teams are always tough.

The 19th of November, we play Morganton, and here is something interesting. Morganton was champion of the Western Conference for so many years and by such a wide margin that they were about ready to commence printing that on their letter heads at the beginning of the season and during those years, Barium defeated Morganton by a big margin. Now, last season a number of the Western Conference teams kicked Morganton all around and she lacked a good deal of being champion, but they beat us. Now this year, we are wondering. If they are champion, maybe we can beat them. If not, look out, they may take us to the cleaners again.

On the 24th of November, the day before Thanksgiving, we take on Kannapolis here for the final game of the season. Home-Come Day, if you please. Kannapolis is the biggest, and sometimes, the toughest of the South Piedmont schools and that should end the season up in a grand style. We never try to pick a weak opponent for Home-Come.

There will be new coaches at Albemarle, Lexington, Salisbury and Morganton and every one of those coaches, who have left, were good friends of ours here. We regret their leaving but welcome the newcomers and feel sure we will enjoy the games with their teams.

All of you football fans mark up your calendars for these high school games. There is going to be mighty little college football on the menu this fall. The high schools, however, will offer most interesting games. They will all be on an equality with no over-age boys in the lineup. Nineteen years will certainly be the age limit. You see these games and then you will understand easier why these 18-year olds make such good soldiers.

We'll be seeing you! ! !

THE SCHEDULE

Sept. 17—Harding High, There	
Sept. 24—Albemarle	There
Oct. 1—Thomasville	There
Oct. 8—Children's Home	Here
Oct. 22—Lexington	There
Oct. 29—Davidson	Pending
Nov. 5—Statesville	Here
Nov. 15—Salisbury	There
Nov. 19—Morganton	There
Nov. 24—Kannapolis HC	Here

More Than One?

During the past few months an intensive effort has been made to revise The Barium Messenger mailing list for a good many localities. Inevitably there are duplications of names, no matter how diligent the effort may be to avoid this. Should you be receiving two copies of The Messenger in your home, kindly drop a postal card to Ernest Milton, Barium Springs, N. C., telling him which name should be eliminated.

Instead of sending 25,000 copies of the paper out every month, the number will hover around 26,000 in the future because of the extra names placed on the roster this summer. If you know of a Presbyterian home that doesn't receive The Messenger, furnish the name and address of some member of that family and it will be promptly added.

Several Changes

(Continued From Page One)

riage this spring. Miss Ruth Cole, who was in charge of the library, is taking a business course in Charlotte. There is no replacement for her, since pupils and teachers will be in charge of the library this winter.

Miss Ruth Hadley, of Statesville, is the latest newcomer to the staff. She is now secretary to Jos. B. Johnston, superintendent, replacing Mrs. Anna Lou Sellers, also of Statesville.

First Thanksgiving

(Continued From Page One)

is expected to be another banner Thanksgiving Offering this coming November.

Not long ago a former clerk of a session of one of the North Carolina Churches sent a \$25.00 gift to Barium Springs from North Africa and it was described as a "thank" offering, though it was not credited in the Thanksgiving category, because he had come through the African campaign unscathed. This \$10.00 from this Barium alumnus could genuinely be interpreted as a thank offering, too, because of his narrow escape from death in the Sicilian landing during which several of his shipmates were lost or seriously injured.

Before coming to Barium Springs on his furlough, Leslie had written that it was learning to take orders at Barium Springs that was responsible for his being alive today. They had been told on maneuvers to wear, always, their life jackets when in actual combat, not only from the standpoint of protecting them in the water but also because they oftentimes stopped shrapnel.

In the landing, one of his buddies was killed outright, another drowned because he did not have his life jacket on, and a third close friend is in a hospital today with a broken back. Leslie himself was unconscious for a while, for the first thing he remembered after the order went out to abandon ship was being pulled over the side of another ship. His lifejacket had saved him, for he remembered to obey orders.

Many of the boys of Barium in the services are sending money back regularly to the Boys' Bible Class, of which they were members while at Barium, approximately \$75.00 having already been received from them. These special gifts will be reflected in the Thanksgiving Offering that will be made by the Boys' Bible Class of Little Joe's Church in November, for Mr. Johnston has told them in one of his letters that these contributions are going to make the Thanksgiving Offering the greatest of that group in all of its history.

In addition to these donations through the Boys' Bible Class more than half a dozen of the alumni are regularly sending contributions to the budget of Little Joe's church, and this includes boys and girls who are not in a position to be permanently identified with a Presbyterian Church. Their membership is still at Little Joe's, and they want to have a part in the work here, though they are not able to attend the services at Barium except at infrequent intervals.

Boss: "No, son, I'm afraid I can not hire you. We can't use much help just now."

Boy (determined to please): "That is all right, sir, I wouldn't be so much help."

Synod's Generosity

(Continued From Page One)

other two-thirds would make a regular increase greater than nine thousand dollars.

In August, though, the outlook at the midway point of the month was not so good for another increase, for there will be a decline in August unless there is an exceptional upsurge in giving in the last 15 days.

A new leader in per capita giving developed during July, for Winston-Salem Presbytery takes over the first notch, wresting this place from Kings Mountain Presbytery.

For the first time, the memberships of the various Presbyteries at the end of 1942-1943 were used, since the Minutes of the General Assembly have recently been published. Although Winston-Salem Presbytery showed a membership decrease of 406, yet that Presbytery would still have led Kings Mountain at the end of July had the 1941-1942 enrollment been used. The marginal difference, though, would have been nominal.

While this has nothing to do with this table of receipts, yet it is quite interesting to insert here the fact that the Synod of North Carolina showed a net gain of only 380 members during the 12 months that ended last March. The grand total of Presbyterians in the Synod is now 93,371 - a bare gain over the 92,991 of 1941-1942. When it is remembered that there are over 540 churches or missions in the Synod, this would figure out to be an increase of a little over half a member per church.

Gains were made in membership by seven Presbyteries and declines were noted in two. Besides Winston-Salem, Orange Presbytery showed 802 less members. The increases in order were: Mecklenburg, 638; Granville, 248; Concord, 213; Albemarle, 179; Kings Mountain, 152; Wilmington, 116, and Fayetteville 42.

Coming back to that increase of \$3,026.16, all but Orange Presbytery can lay claim to some part of it. Here's the way the eight have advanced in giving over that received here through July, 1942:

Presbytery	July Rpts.	Mem.	Year
W.-Salem	\$ 370.81	7.4c	22.3c
Kings Mtn.	259.75	4 c	18.6c
Concord	816.44	6.2c	17.7c
Mecklenburg	1,158.55	6 c	17.3c
Albemarle	159.88	3 c	14.6c
Fayetteville	747.05	5.2c	13.5c
Wilmington	446.40	5.1c	12 c
Granville	150.17	2.2c	9.7c
Orange	328.86	2.4c	9.6c

Synod \$4,437.91 3.2c 14.8c

Mecklenburg, \$766.26; Fayetteville, \$717.84; Kings Mountain, \$556.22; Concord, \$386.13; Granville, \$299.68; Winston-Salem, \$197.33; Albemarle, \$166.79, and Wilmington, \$118.43. That's an increase of \$3,208.68 for the eight, but Orange's decrease of \$182.52 brought the net advance down to \$3,026.16.

The lineup of the Presbyteries is as follows, showing a high of 22.3 cents per member for Winston-Salem Presbytery to a low of 9.6 cents for Orange:

The \$13,779.34 forwarded to the Home in four months came from the following main sources: Sunday Schools, \$6,835.07; Church budgets, \$4,837.63, and Auxiliaries, \$2,106.64. On a percentage basis, the respective sources were responsible for 49.6%, 35.1%, and 15.3%. The distribution of the total by Presbyteries and the organizations within each is as follows:

Presbytery	Ch.	S. S.	Aux.
Albemarle	\$112.75	\$380.08	\$281.88
Concord	\$48.19	\$1,153.80	\$345.85
Fayetteville	\$75.97	\$1,114.45	\$23.22
Granville	\$11.25	\$388.75	\$168.00
Kings Mountain	\$292.31	\$781.00	\$147.55
Mecklenburg	\$1,442.61	\$1,451.59	\$463.45
Orange	\$188.56	\$797.33	\$353.17
Wilmington	\$10.86	\$452.68	\$83.48
Winston-Salem	\$660.03	\$315.39	\$140.04

TOTALS \$4,837.63 \$6,835.07 \$2,106.64

Having overslept himself on his wedding morn, the professor hastened to the station, only to find his train had gone.

Half frantic, he rushed into the post office and sent off the following telegram:

"Delayed. Don't marry till I come."

She: "I met a very polite man today."

He: "How did it happen to come about?"

She: "I must have been carrying my umbrella careless for I poked him in the eye. I said, 'So sorry.' And he said, 'Don't mention it—I have another eye left!'"

Church Bonds

(Continued From Page One)

needed at Barium Springs some day. This sum was on deposit in the Barium Springs Savings Department here, and in August that department handed in a check in full for this account and it became

The following are the bonds which have been purchased and sent direct to Barium Springs by friends, only one of whom gave these in memory of anyone. The others are simply helping to raise the necessary money for the church:

Name	Amount of Bonds
Miss Emma Harris, Mebane	\$100.00
Friends (man & wife)	200.00
Friend (Mooresville First Church)	75.00
Friend (in memory of two brothers and part of \$500.00 pledge)	200.00
Mrs. C. E. Neisler, Kings Mountain	100.00

Total Bonds \$675.00

In addition to these bonds, Mr. and Mrs. W. L. Matheson, of Mooresville sent \$100.00; Second Lieut. Fred J. Lowrance, in the Southwest Pacific, \$5.00 and Mr. C. A. McArthur, Jr., Charlotte, \$7.50 - all for the church and not in memory of anyone. All of this has been invested in bonds.

available for immediate investment in government securities.

Officials at Barium Springs believe that there are going to be many bonds sent to Barium Springs for that church during the month of September, when an intensive effort will be made by the U. S. government to raise a good many billions of dollars through the sale of bonds.

This home cannot own the Series E bonds, for that bond is limited to individuals and is not available to corporations. As stated above, the Series F bond is preferable, for the Regents voted that the interest on all bonds was to become part of the principal. Thus, it is easier simply to let the interest accumulate on the bonds. The G Series calls for a semi-annual interest payment at a 2 1-2% rate. When such interest is paid into the Home it will be immediately placed in the fund and become available for investment in other bonds when additional purchases are made.

As this fund continues to grow with great rapidity (it has gone from \$15,100.00 in government bonds on March 31st to \$19,300.00 of such securities in the middle of August), officials at Barium recall that much of the money used in the construction of another building on this campus was largely the result of war savings stamps and government bonds in the last World War. This is the Lottie Walker building, more commonly known as the Woman's Building, which the ladies of the North Carolina Synod constructed at a cost of approximately \$100,000.00.

Landlord (to prospective tenant): "You know we keep it very quiet and orderly here. Do you have any children?"

"No."

"A piano, radio or victrola?"

"No."

"Do you play any musical instruments? Do you have dog, cat or parrot?"

"No, but my fountain pen scratches a little sometimes."

"Halt!" ordered the sentry in the detention unit. "Who goes there?"

"You wouldn't know me," came a voice. "I just got here yesterday."

Yep, she was kicked out of school for cheating.

Hmmm what happened?

They found her counting her ribs in a physiology exam.

Returned Soldier (telling about Iceland): "It's so cold up there that if you set a bucket of boiling water outdoors, it freezes so fast that for five minutes after it's frozen to solid ice it is still warm!"

Draftee: "They can't make me fight!"

Soldier: "No, but they can send you where the fighting is going on and then let you use your own judgment."

First Recruit: "Some achieve greatness; others have greatness thrust upon them."

Second Recruit: "You'll telling me, I'm wearing Army shoes, too!"

Five New Faculty

(Continued From Page One)
S. degree in Home Economics and has had two years of teaching experience.

The seventh grade teacher will be Miss Edith Cherry, of Stanley, who will also assist in public school music. The seventh grade last year was taught by Mr. Harry E. Barkley, principal of the elementary school, but in the coming session he will not have a home room, but will teach certain subjects in the lower grades and possibly in high school. Miss Cherry graduated from Western Carolina Teachers College at Cullowhee this spring, with a major in public school music.

As stated above, Miss Brandon will go back to the elementary school, taking the third grade as a replacement to Mrs. R. E. Jackins. The second grade teacher will be Miss Carolyn Vidal, of Gainesville, Fla., a 1943 graduate of Flora Macdonald College. Miss Vidal will also have charge of public school music, and is a replacement for Miss Mary Stuart McGoogan.

The final newcomer will be Miss Annie M. Koon, of Woodleaf, who replaces Miss Theoria Straughn in the first grade. Miss Koon attended Flora Macdonald and Appalachian Teacher's College at Boone, being a graduate of the latter. She has had a number of years of teaching experience, her latest connection being at Rutherfordton.

The four former members of the faculty, Misses Straughn and McGoogan and Mesdames Jackins and Chandler are going to be greatly missed during the 1942-1943 session because of more than one year's connection locally, but a cordial welcome will be extended to the five newcomers.

The lineup of teachers will therefore be Mr. Harry E. Barkley, Barium Springs, elementary principal; Miss Annie M. Koon, first grade; Miss Carolyn Vidal, second; Miss Sadie Brandon, third; Miss Anne Faysoux Johnston, fourth; Miss Gladys Burroughs, fifth; Miss Faye Stevenson, sixth, and Miss Edith Cherry, seventh.

Associated in the high school with the principal, Mr. W. A. Hethcox, will be Miss Ruth Troutman, Miss Reba Thompson, Miss Irene McDade, Miss Margaret Morrison and Mr. Homer Keever. Miss Laura Gray Greene will return to Barium Springs to continue her piano training of all musically inclined pupils in all of the grades.

Like all of the other schools in North Carolina, the one at Barium Springs will have a nine-month session in 1943-1944. The session is opening early, and because no time is lost here because of bad roads, the schools at Barium will more than likely finish approximately a week earlier than most of them next spring.

"I don't think the man upstairs likes for Johnnie to play his drum."

"Why?"

"Well, this afternoon he gave him a knife and asked him if he knew what was inside the drum."

"I envy that fat man when he laughs."

"Why?"

"There seems to be so much of him having a good time."

Hunter: "Henry, do you still act toward your wife the same as you did before you were married?"

Henry: "Just the same. I remember when I first fell in love with her. I would lean over the fence in front of her house and gaze at her shadow on the curtain, afraid to go in. And I act exactly the same way now."

Arthur, age seven, had carefully bitten out all the soft pieces of his slice of toast, neatly piling the crusts on the edge of his plate.

"When I was a boy," said his father reprovingly, "I always ate my crusts."

"Did you like them?" asked Arthur.

"Of course, I did," said the father glibly.

"Then you may have these," replied his son, graciously.

He had taken a postal course in chemistry, and was very proud of his diploma. He felt his throat sore and prescribed for himself, taking the prescription to the local druggist.

The druggist read it, and then asked in all seriousness:

"Is the dog very big?"

Policeman: "How did you knock him down?"

Motorist: "I didn't. I slowed up to let him cross—and he fainted."

The Son: "Look me over, dad. Nifty scenery, what? I'll say Solomon in all his glory was not arrayed like me."

The Sire: "I reckon not. Solomon was a wise man."

Caller: "Won't you walk as far as the street car with me, Tommy?"

Tommy (age five): "I can't."

Caller: "Why not?"

Tommy: "Cause we're going to have dinner as soon as you go."

"It's scandalous to charge us \$10 for towing the car only three or four miles," protested the motorist's wife.

"Never mind, dear," replied hubby, "he's earning it; I've got my brakes on."

Lady Jane: "Have you given the gold-fish fresh water, Janet?"

Janet: "No mum, they ain't finished the water I gave them yesterday yet."

Crossroads Merchant: "No, sir, I ain't going to advertise."

Stranger: "Why not?"

Merchant: "I tried it once an' it nearly ruined me. People came from miles away an' they bought durn near all the stuff I had."

Teacher: "Who can give the best meaning of 'appetite'?"

Johnnie: "When you're eating you are 'appy, an' when you're finished, you're tight."

Miscellaneous Gifts

Sanford Aux., Circle 2, dish towels, pillow cases, pot holder, etc.
